Fire, which is thought to have been caused by spontaneous combustion, burned the large barn on the Henry Rafacz farm, 152nd and 94th, Orland township, about 7 o'clock Wednesday evening, March 26. The barn was well filled with hay and a farm hoist. All other equipment was removed. There were no cattle in the barn. Mr. Rafacz suffered a broken leg while he was trying to get the hoist out of the barn. Details are lacking at this writing.

Sees Big Increase of Gas Supply In This Area For Heating Homes

Hope for more persons in the area getting gas for heating homes by next winter was given in an announcement made by Marvin Chandler, president of the Northern Illinois Gas Co.

Northern Illinois Gas has contracted to purchase 50-million cubic feet of gas daily from the Northern Natural Gas Co., subject to an application filed last week by Northern Natural with the federal power commission at Washington. At the same time Northern Illinois Gas applied to the Illinois commerce commission for necessary authority to proceed with the project.

If regulatory approvals are received promptly and there are no difficulties in getting right-of-way, obtaining materials and completing construction, Mr. Chandler said, this new supply could be available before the peak of the 1958-59 heating season.

"As soon as a dependable time of delivery can be established," Mr. Chandler said in a letter sent to stockholders, "we will authorize as many additional house-heating connections as the new supply, coupled with our other pipeline flow gas and other supplies, could then handle. Our best guess now is this would permit authorizing between one-third and one-half of our present waiting list of about 115,000 applicants."

Several months ago Northern Illinois released gas to homes where the owners had applications for service dating back to Feb. 21, 1955.

At that time the prospects of more gas for this year were somewhat dim but are reported as fairly bright now.

Besides the chances of getting gas from Northern Natural, the Northern Illinois company has two other deals on the fire—one with Midwestern Gas Transmission Co. and the other with Natural Gas Pipeline of America.

According to the plans, the Northern Natural Gas Company (which now serves natural gas in Minnesota, Iowa, Nebraska, South Dakota and Kansas) will build a line across the Mississippi at Dubuque, from its pres-

Beatty Lumber to Build New Orland Plant

The I.N.R. Beatty Lumber Co. is to build a new warehouse and store at Orland Park, costing \$40,000. The project will include a roofed-over patio where various types of outdoor furnishings will be displayed.

The building is to be located on the north side of 143rd street between the shopping center and the Wabash tracks.

The dimensions given on the building permit are 64 by 100 feet and the structure is to be 20 feet high. It will contain 128,000 cubic feet and the building permit fee is figured at \$5 per thousand cubic feet. With payment for the water meter included, which is required on all building permits, the total fee paid the village was \$705.

The permit to construct the project was approved by the village board Monday night. Also approved were 10 permits for homes in Orland Hills Gardens that average \$12,000 each for a total value of \$120,000.

This brings the construction program at Orland Park to a total of \$160,000 for the past two weeks.

The village received approximately \$1,280 in fees for building permits from these 10 homes.

Resigns From Orland Park Police Dept.

Robert J. Lebens, volunteer policeman on the Orland Park force has submitted his resignation because of the press of other duties. It will become effective as of April 1.

Hear Request For Use of Strip of Village Land As Church Driveway

Action on the request of St. John's church Mokena, for use of a piece of village park land as a traffic way to serve its proposed new addition was not taken by the Mokena planning commission at its regular meeting on Wednesday night of last week, March 19.

The request was originally made before the village board and referred by that body to the planning commission.

One of the commissioners, Fred Lehmann said he believed that to grant the request would be of benefit to the entire village. Charles Rose, another member of the commission, said he feared that such a traffic way would be used as a public thoroughfare on any day and therefore would be a danger to youngsters using the park playground. Norval Robinson, also a member of the commission, said he believed there was bias in the group and there had been too much open discussion of things not pertinent to the issue.

"We just have to decide whether to allow the petition," Robinson said.

Leo Marcoux, secretary of the planning group, said he was open minded on the question and the only thing that bothered him was the legality of the thing.

Rose and Maurice Angland, the latter chairman of the com-

New Lenox Board Studies Projects to Benefit Town

In anticipation of having a cash balance on hand at the end of the fiscal year the New Lenox village board is making studies now of projects which age as a whole.

Before any money can be spent, however, it must be appropriated so the council is working now to line up a program before next year's appropriation ordinance is adopted.

Among the projects proposed which appear to have the unified support of the board are these:

A safer arrangement for passengers now boarding and alighting from Rock Island trains and a pedestrian walk to Cedar road from the depot.

A drain tile system to carry off surface water in the vicinity of Third and Pine and Second and Pine streets.

A garage to house village equipment.

Additional street signs.

Installation of a few mercury vapor lights as the beginning of a modern lighting system for the Lincoln highway.

A mosquito abatement program.

The trustees will give consideration to other proposals and may set up a long range program, according to Mayor Lloyd Berlin.

New Cashier of Frankfort Bank Begins Duties

The new cashier of the Frankfort State Bank, Howard W. Remien, formerly of Harlan, Ia., began his duties last Monday, March 24. Mr. Remien will also be a stockholder of the bank and become a member of the board of directors.

He made his start in the banking business as a bookkeeper at the Nevada National Bank of Nevada, Ia., in 1939. From there he went to the Harlan National bank, where he was a teller until 1941. He then became assistant cashier, and after serving in the army for two years, he returned to the Harlan National and was elected cashier in 1948.

HOWARD W. REMIEN

Mr. Remien is a graduate of the Atlantic high school of Atlantic, Ia., attended Iowa State college for two years, and then went on to the American Institute of Business at Des Moines.

While a resident of Harlan, he was a member of the American Legion post, a board member of the Harlan Chamber of Commerce, and a member of the board of trustees of the First Congregational Church. He also was active in the PTA, the Kiwanis club, and was a member of the Harlan Golf and County club.

His wife, Elizabeth, and their five children arrived in Frankfort last Thursday and will reside at 7 LaPorte road. His son William, 17, and daughter, Ann, 15, will enroll immediately at Lincoln-Way high school. His other children are Carol, 11, Jim, 6, and Richard, 4 years old.

Tax rates prepared in the office of County Clerk Joseph Hartley for this area, are topped by those for the village of Mokena.

The Mokena rate to be used in preparing the tax bills payable this year is \$3.508 per \$100 dollars assessed valuation. This is 43.8 cents higher than the rate last year and is attributed to the issuance of general obligation bonds for a sewer.

Last year the village levy was 14 cents and this year 62.3 cents. The public grade school rate dropped five cents, to \$1.042. Lincoln-Way high school rate shows an increase of 4.4 cents. Outside the village of Mokena but in School District 159 the rate is \$2.885.

Residents of the village of Frankfort will pay \$3.469 which is 13.4 cents more than for 1956. While those in School District 157-C outside the village will have a rate of \$2.973.

The total rates vary, of course according to the rate fixed for each school district.

The total rates in the school districts of Frankfort township other than those mentioned are,

56-C	\$3.085.
154	2.641
161	2.173

In the village of New Lenox the total rate is \$3.424, or 7.6 cents lower. Outside the village but still in School District 122 the rate is \$3.091 and in grade school district 122 but in Joliet high school district 204, the rate is \$2.599. The New Lenox grade school rate is down 10.7 cents.

In other school districts in New Lenox township total rates are:

119	\$2.632
119 in H. S. 204	2.140
33-C in H. S. 210	3.330
81 in H. S. 204	1.927
81 in H. S. 210	2.419
121	3.263
125	2.874
152	2.765

In Homer township the total rates according to school districts are:

33-C in Lockport high	\$2.912
33-C in Homer fire dist.	3.037
92 in Lockport high	2.742
92 in Homer fire dist.	2.867
125	2.456

In Green Garden in the Peotone unit school district the total rate is \$1.859 or 1.9 cents higher than the year previous.

In Manhattan the total village rate is \$3.460 per \$100 assessed valuation or 22 cents more than for 1956. This figure includes the Lincoln-Way high school tax. In that part of Manhattan township in the Peotone unit district the rate is \$1.805.

Orland-New Lenox Banks Will Close On Good Friday

Some area banks will close on Good Friday, April 4.

The Orland State bank will be closed all day, as will the New Lenox State bank. The Mokena State bank will remain open all day as usual.

Charge Three Tinley Youths With Burglary

(Picture on page 10)

Three Tinley Park teenagers, charged with the burglary of the Sinclair oil station at Lincolnwood, near New Lenox, were released on bonds of \$2,500 each Monday afternoon by Justice of the Peace Anthony R. Mackay at Joliet.

The trio also admitted breaking into Dutch's service station at 177th and Oak Park ave., Tinley Park, the night of March 17, according to Tinley Police Chief Harold Moore, but got nothing.

The three youths are Gerald P. Darcy, 16, of 17784 Ridgeland ave., John Hargrove, 16, of 7390 W. 171st street and Fred Schaff, 15, of 6520 W. 171st.

Prior to the break in at Lincolnwood the trio threatened a group of Mokena youths with a sawed off shotgun, according to the report, and it was this move that resulted in their arrest.

One of the Mokena group jotted down the license number and a few minutes later gave it to Mokena's mayor, James Martie, who called state police and they in turn checked it out with Springfield. The license had been issued to Charles Hargrove (father of John) and state troopers from the Joliet and Blue Island districts, accompanied by Ray Westlund, head of the Mokena police committee and Officer Joseph Heim, went to Tinley Park.

Recover Loot

At the Hargrove home, the officers said, they found four new tires taken at the Lincolnwood station operated by Eugene Hunt, and 17 cartons of cigarettes also stolen there. Another tire belonging to Hunt was reported found at the Schaff home.

The officers rounded up Schaff and Darcy on information furnished by young Hargrove.

On searching the Hargrove car police found a 410 gauge shotgun, with barrel and stock sawed off in violation of federal statute. They also found a loaded 32 calibre pistol in the vehicle, the report states.

The trio was taken to Joliet early Thursday morning and locked up in the county jail. They were examined by a juvenile officer Thursday morning and returned to jail while the state's attorney's office prepared warrants charging them with burglary. A charge of assault with a deadly weapon had been placed against the three previously as an outgrowth of their Mokena visit but it was not pressed.

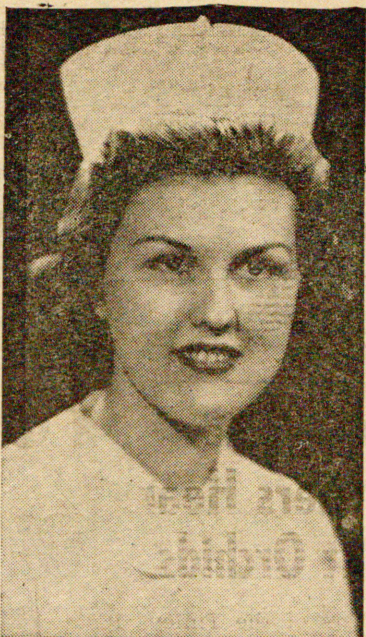

Federal officers also questioned the youths Saturday concerning the illegal weapon in their possession. But it was not until Monday afternoon that the bonds were set up on which the boys were released and the case has been continued 10 days.

Point Gun

The youths were in Mokena about 10 o'clock when they encountered a car containing four Mokena boys, Louis Johnson and John Lavezzi, sailors home on leave, Terry Marshall and Ronald Dougherty. The quartet had been at a Teen dance at St. Mary's hall.

The Tinley group told State's Attorney Investigator Nicholas Fornango that the Mokena group had been following them around and making gestures which they took to be threatening.

The Mokena lads deny this. They said when they encountered the car they thought they recognized the occupants as someone they knew and called out a friendly greeting. The other car stopped, forcing them to

halt, the Mokena youths said, and one of the occupants, later said to have been Darcy, got out with the sawed-off shotgun in his hands and ordered Johnson to step out on the road. A few moments later, they said, he permitted Johnson to get back in the car and made the others get out.

The incident occurred on Wolf road, near St. Mary's hall. One of the Mokena boys called the attention of the young gunman that a woman was looking out the window at the tableau.

The gun holder then jumped in his car and was driven away south. The Tinley trio is alleged to have gone from Mokena to Lincolnwood, knocked in the oil station and then went home with their loot.

In the meantime, the Mokena youths had reported the affair to Mayor Martie and the hunt was on.

ent facilities. Northern Illinois Gas will receive its new supply near East Dubuque, Ill., and construct a 140-mile pipeline across the northern part of the state to points of connection with present facilities. Its eastern terminus will be near Des Plaines (Illinois). The new project, estimated to cost \$15 million, would raise the company's five-year (1958-62) construction budget to about \$140 million.

Chandler emphasized that this new project should not be confused with the company's recent agreement to purchase a similar amount of natural gas daily from the Midwestern Gas Transmission Company's proposed pipeline to be constructed between Portland, Tenn. and the Chicago area.

"This Midwestern project may be completed in time to deliver gas to us in the 1958-59 heating season, but there are many uncertainties, including existence of currently conflicting applications before the federal power commission," Chandler reported. "While we are doing what we can to expedite the project, it must be recognized that we cannot be sure of receiving delivery of this gas during 1958."

Chandler also said that there is some progress in the proposed expansion program of Natural Gas Pipeline Company of America to bring additional supplies of natural gas from the southwest and Rocky Mountain areas from which Northern Illinois Gas experts to receive about 38 per cent increase in its present maximum daily pipeline supply. He pointed out, however, that additional gas from this source cannot be expected before the 1959-60 heating season. He said the company was "encouraged that what has for a long time seemed to be a real log jam is finally showing signs of breaking up."

HEAR REQUEST

mission, said they had been advised by attorneys that it was questionable whether the village could grant an easement as requested without court order or sanction.

Ray Hoolehan the Mokena village attorney who was present said that in his opinion the village owned the entire half of Block 12 and could dispose of it as it saw fit.

The Methodist and Lutheran churches which are located on the tract are there under village license, Hoolehan said, and added that if it so decided, the village could handle the request of St. John church in the same fashion.

The east half of Block 12 was dedicated by Allen Denny as public land on a plat recorded in 1855, Hoolehan said, and a year later he filed another dedication stating precisely it was his intention that the land was to be used for churches and public buildings. This instrument filed June 10, 1856, was signed by Mr. Denny and 25 other property owners in the village. A plat dedication, such as the one filed in 1855, Hoolehan explained, was the same as a common law dedication and stated that the courts had ruled such cases that only the original dedication was binding and that subsequent dedications were of no force or effect.

Whether the board will have arrived at any conclusions by the time of this meeting on the third Wednesday of April has not been indicated. It was decided to write a letter to neighboring churches to ascertain if they had any objections. The request of St. John church to granting the easement.

as set forth by its governing body, the church council, was presented to the commission by Harold S. Behn, who was accompanied by Leo Leyerle and W. H. Steen. The request is as follows:

"1. The strip requested for church use is 29 feet wide, starting at the northwest corner of the park and running southerly, a distance of 244 and joins the present parking feet, where it tapers to 24 feet, and thoroughfare area of the three churches.

"2. A part of this, lying between the first two rows of trees, would be lightly surfaced as a drive—though, connecting Third street with the area lying between the three churches.

"3. Since the drive-thru in use upon our own property will be closed when the new addition to our church is begun, the congestion of traffic between the three churches will be much worse than it is now. To provide this new outlet, seems to us a reasonable request.

"4. We petition also, for the use of a part of the above strip on the south and (see sketch) for the extension of a sidewalk, connecting with the walk now existing on the east side of the church and extending northward to the point of entrance to the proposed new addition.

"5. We petition furthermore, to be permitted to use a small fraction of the widest part of the strip on the north end for diagonal parking. This will add nine parking spaces to the parking we have on our own grounds, and a turn-around and exit to the north. This will help relieve the congestion in the church area, and compensate on the east side of our church.

"6. The Church Council of St. John's Church agrees to parallel parking on the east side of the church on Sundays, and also, that the traffic flow, be only west on 2nd Street from Union to Wolf road between the hours of 9 to 12 o'clock on Sundays.

"7. Our proposal does not require the removal of any trees in the park. Will we, of course, have to stand the expense of the moving of the children's play area to another location in the park, acceptable to the Lions club and the village board."

Vandals Telephone Victim That Mail Box Was Stolen

Mrs. Joseph Williams, Burr Oak Lane, Mokena, received a telephone call Saturday night. The caller said that her mail box had been removed and could be found on the highway.

When she investigated Sunday morning it was to find that not only was mail box missing but the post as well.

The caller hung up before Mrs. Williams could ask him on what highway the box had been dropped. The Will county sheriff's office made a report of the incident to U. S. postal inspectors.

Ask More Money To Collect Garbage At Orland Park

The garbage disposal service that serves Orland Park is asking for more money.

The firm is now paid \$187.50 a month, covering 280 stops. This figures at about 17½ cents a stop and representatives of the company told the village

board Monday night that it is losing considerable money at this rate.

The disposal firm is asking \$1 per month for each stop which would bring the price up to \$280 as of now. This figure, of course, would increase with the number of homes and business houses built in the village.

Representatives of the company say they will not make any money at this figure but they can get by.

The village board took the request under advisement and probably will give the company an answer at the next meeting.

Orland Woman's Club Is Nearing 25th Birthday

The Orland Park Woman's club is planning a special program at the spring luncheon in May to mark its 25th anniversary.

A history of the Occupational Therapy shop at Oak Forest was read by Mrs. L. Patton at the March 19 meeting. The project was organized in 1933 by the Third District IFWC when Mrs. Waterman was president. The district during the years has also given 25 scholarships to the University of Illinois.

Members viewed a colored film showing the administration building, Nurses home, Occupational Therapy shop with patients at work, and officials, doctors, and instructors at the shop.

Elect Officers

The following officers were elected for the coming year: Mrs. Chester Williams, 1st vice president; Mrs. Sigmund Smith, corresponding secretary; Mrs. Joseph Kaiser, treasurer. Mrs. Karl Ekberg withdrew her resignation as president and consented to hold that office for another year. The nominating committee was composed of Mrs. Harry Pihl, Mrs. Fred Blackstone, and Mrs. Eric Enblom.

The club will contribute \$5 to the American Red Cross.

A white elephant and bake sale will be held Friday, April 18, starting at 9:30 a.m. in the home of Mrs. Ekberg. Lunch will be available during the day. Proceeds of the sales will be given to the American Cancer fund which starts in April. Members are requested to bring white elephants to the home of Mrs. Ekberg.

At the meeting members were urged to vote in the school elections on Saturday, April 12, for board members of the Carl Sandburg High school and the local grade schools.

An Easter party for the patients in the Occupational Therapy shop in Oak Forest is planned.

Following the program, refreshments were served by Mrs. Sigmund Smith, Mrs. James Creer, Mrs. Robert Horn, and Mrs. Ross Vondersmith.

St. George Young People Plan Series Of Sunday Dances

With the Lenten season coming to a close, teens and young adults of St. George plan to have dancing Easter Sunday and every Sunday thereafter at 8 p.m. in the St. George parish hall.

A 5-piece orchestra will provide the music.

The dance will be open to the public.

Asks Donations of Hats, Purses For Women Patients

The "Pink Ladies", volunteer workers at Manteno hospital, will conduct a hat and purse bar Easter for lady patients, who will line up for a parade and select a hat and purse.

Mrs. Edward Mell, a worker from Orland Park, is asking for hats and purses no longer being used, also costume jewelry. She requests articles be brought to her home at 9853 W. 145th st.

Garden Club Members Hear About Orchids

Members of the Tinley Park Garden club enjoyed a festive luncheon at the last meeting, held in the home of the club president, Mrs. Bob Memhard. She was assisted by Mrs. Walter Zawadzki.

The St. Patrick's Day theme was carried out by a table centerpiece of white tulips, bells of Ireland and other green foliage. The luncheon table was covered with a dark green cloth.

Guests at the meeting were Mrs. Lamberth Spencer, of Worth, and Mrs. Irene Parks, of Salt Lake City, Utah, a sister of Mrs. Ava Funk.

An article on orchids was presented by Mrs. Memhard.

Chairman reports were given by the following: Mrs. John Swisher reported delivering 618 magazines to Oak Forest Infirmary, assisted by Mrs. Zawadzki and Mrs. Raymond Anderson.

Donations were sent by the club to the Cancer and Heart Funds, also the Red Cross.

Mrs. Gervis Klepper's report was on the Bird Sanctuary. She suggested each member install bird feeders in their yards.

The club will furnish seeds for next winter's feeding.

Other reports included the 14th annual Flower Show of the Illinois Garden club to be held at Navy Pier, March 22 to 30, and that the club will enter a table at a shop on Western avenue, Chicago, on April 18.

Prizes prepared by Mrs. Klepper were awarded for floral games played by members.

Toastmasters Host to Group of L-W Students

Ins. Toastmasters 1-24

At the meeting of New Lenox Toastmasters' club held March 24, the members were hosts to a group of young people from Lincoln-Way high school. The occasion was the club's annual Youth Night.

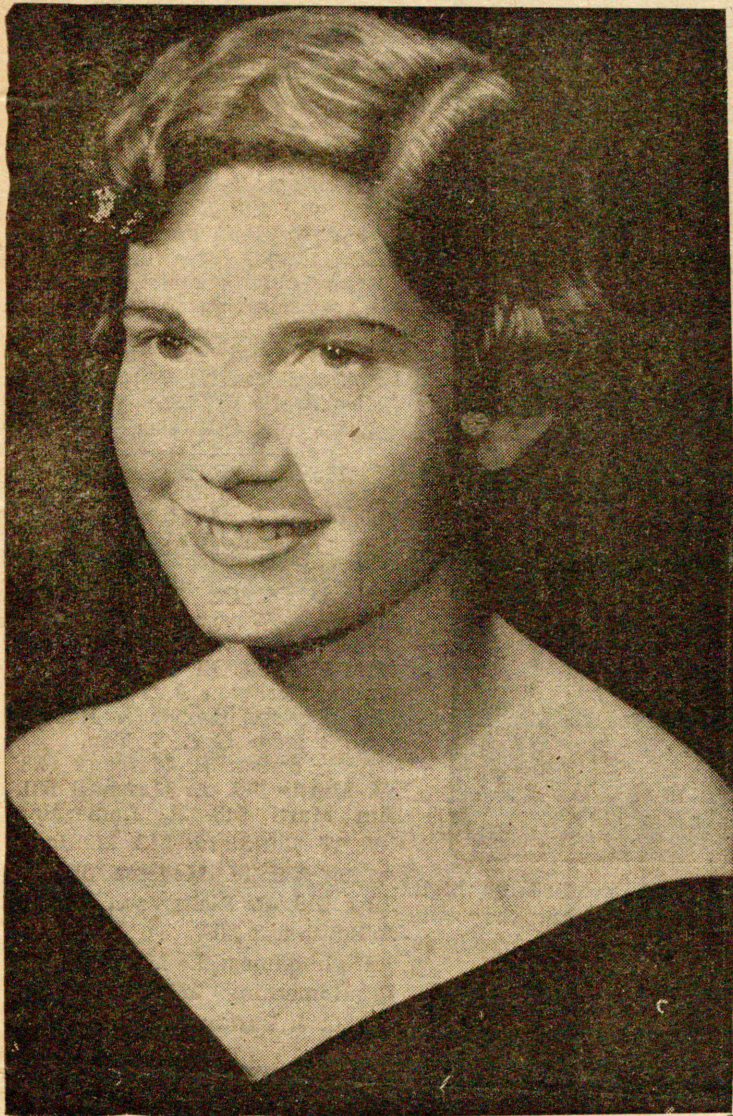

Toastmaster for the evening was William Clark. Floor topics were given out by Elias Brown.

Featured speakers of the evening were members of the debating team of Lincoln-Way. This team, under the guidance of their coach, Ralph Christison debated the question, "Resolved that the Foreign Aid Program of the United States should be increased substantially." Affirmative arguments were offered by Wendell Anderson and Don Lehmann. Negative was presented by Stanton Korista and Dave Gilmore.

The Toastmasters completed plans for installation of officers for the coming year at a Ladies' Night program to be held in the Methodist church Monday, April 7. Next year's officers will be: William Wilson, president; Ronald Whitaker, Stan Gilmore, vice presidents, John Burlingame, secretary; George Kemp, treasurer and William Clark, sergeant at arms.

Thomas A. Edison was dismissed from a job as a young man for sleeping while on duty.

The Kirby School Mothers' club will give a card and bunco party on Wednesday, April 9, at the American Legion hall, beginning at 8 p.m. Refreshments will be served. All proceeds from the party are to be used for the benefit of the Kirby school.

Mrs. Ruby Godbey by honoring her at a luncheon in the Boulevard Room of the Conrad Hilton hotel, March 22. Those attending from the local organization were: Mrs. L. D. Maxwell, Mrs. James Elliott, Mrs. Robert Hill, Mrs. Peter Seeley, and Mrs. Harold Moore.

Woody Zitter Wins 108-lb Mat Title

Victory In Chicago Qualifies L-W Man for National AAU

In Friday's and Saturday's matches at McKinley Park in Chicago, Lincoln-Way's Elwood Zitter won the 108 pound in the Chicago Sun-Times AAU meet.

To gain this valuable prize, Woody had to defeat two of the most highly regarded wrestlers in the state, Chico Coniglio and Fran McCann. Coniglio, an Oak Lawn High school student, had taken second in the state high school meet two weeks previously. McCann, of Schurz High in Chicago, had won various city trophies in the last three years. Woody beat him in the finals 2-0.

Also representing Woody's team, the Knights, were his brothers Ken and Ed. Ken came thru with a second place, losing in the finals to Tom Altenburg of McKinley Park. Ed finished in fourth place out of the field of sixteen.

Other boys wrestling for the Knights were Dave Paben, Ed Smith, Bill Zelko and ex-Lincoln-Way wrestler, John Weber. In John's weight class last year's NCAA champ, Larry Ten Pas, a former U. of I student, came up with a second place.

Woody's victory qualifies him for the National AAU meet.

Zitter finished fourth in his weight in the state meet conducted under the auspices of the Illinois High School Association.

Gallina Most Valuable Player In Church Loop

The all-tourney all-star teams of the Tinley Park Church League invitation basketball tournament were chosen at a meeting of the league board of representatives and coaches at the Tinley grade school Monday night. Selected unanimously to the first team were Ron Gallina, St. George; Bruce Ralson, Teen club; George Ruhle, New Lenox; and Tom Jeffers and Elmer Ginther of the Methodist team.

The second team chosen consisted of Gary Bressi, Nazarene; Wally Eggert, Teen club; Don Goesel, Methodist; George Fickler, St. George; and Bob Goetsch, Teen club. Members of the third All-Tourney team were, Paul Jeffords, St. George; Ken Malia, Markham; Glenn Ruthenbeck, New Lenox; Tom Dusek, New Lenox; and Ken Webster, Methodist.

Most valuable player honors went to Ron Gallina of the St. George Catholic team. Gallina paced the St. George attack with a 21 point average in directing them into third place in the tournament. Gallina's tourney averages will be sent to Central States basketball headquarters where he will compete, against the top players in other Gold Medal tournaments, for All-American honors. Ron also was chosen as the player showing the best sportsmanship thruout the tournament. He receives the gold United States Federation Honor medal for this selection as the outstanding player in the tournament.

The second most outstanding player honors went to Bruce Ralson of the Tinley Park Teen club. Bruce averaged twenty points per game in leading his team to the tourney championship. Elmer Ginther of the Tinley Park Methodist church team was selected as the third most outstanding player in the tournament. Elmer, playing at the center position, turned in outstanding defensive and rebound performances, to go with his fine scoring, in guiding the Methodist squad into second place.

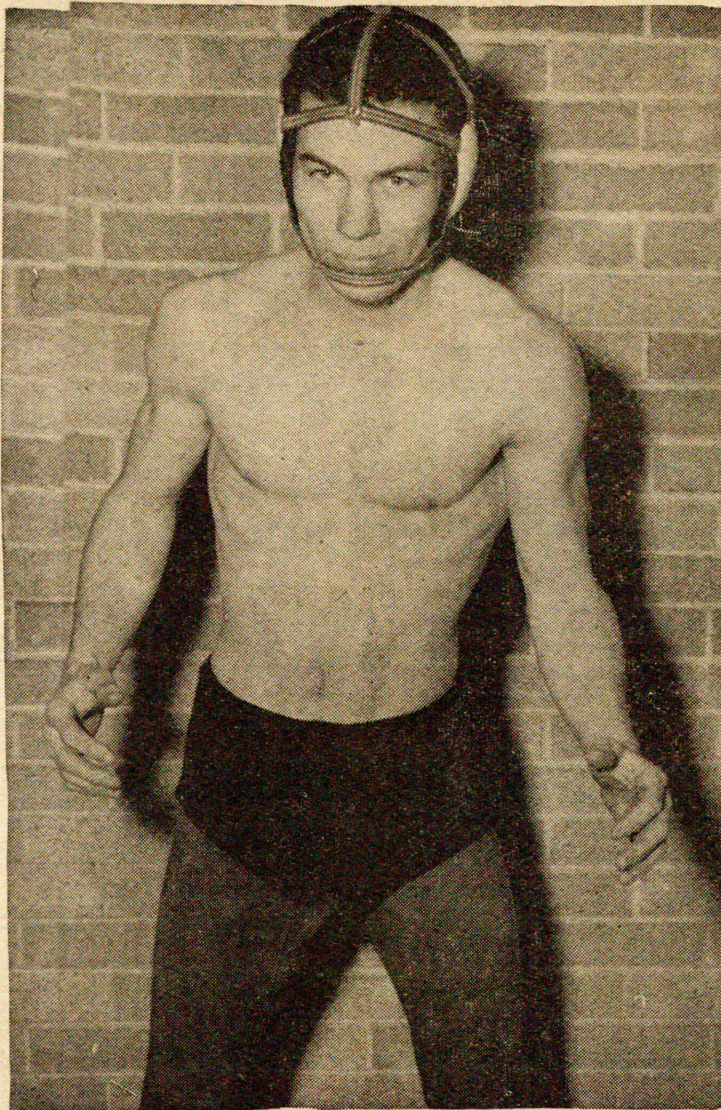

High scoring honors were taken by George Ruhle of the New Lenox Trinity Lutheran church team. George scored 68 points in three games and won the high medal with 32 points against the St. George team in the consolation game. Tom Jeffords, who finished second in tourney scoring, won the free throw shooting award by hitting at a .790 percentage.

The Tinley Park Church league is proud to have sponsored this tournament, its directors declared, and hopes to sponsor one for many years to come. They expressed appreciation for the support given the league by the fans.

Tinley Gals Lead In Joliet Women's Bowling Tourney

A Tinley Park team, the Town and Country Ladies, is leading in the Joliet Women's Bowling association tournament at Bowl-Era Recreation in Joliet.

The team with a 2585 handicap, competed against 66 other teams.

POWER PACKED—Woody Zitter, of the Lincoln-Way high school wrestling team only weights 108 pounds but they are loaded. Triumphant in a Chicago AAU meet last week Woody is now eligible to compete in the National AAU.

Boys Register For Baseball at Tinley Park

Registration for boys between the ages of 9 and 16 years old, wishing to play baseball on organized teams in Tinley Park this summer, will be held Tuesday and Wednesday, April 1 and 2, in the Central school, 173rd and 67th Court, room 101, between 7 and 9 p.m.

Tryouts will be held May 3. All boys registering will be notified as to the time of tryouts. Registration is for Little League and Pony league teams. Tinley Park joined the national Little League program last year.

Orland Police Team Cops 2nd Place in '57 Baseball League

The Orland Park Sheriff's police baseball team received a trophy recently as second place winners in the Cook County Police Baseball league for 1957.

Present from Orland at a banquet in the Bedford Park Community center where the awards were given, were William Quinn, manager; John Janulis, and Jerry Hosier.

The Argo Yanks took second place and the North Lake Orioles first place last season.

The dinner, at which Sheriff Joseph Lohman spoke, launched the organization for the 1958 season. In his talk, Lohman stressed what he called the beneficial results obtained by police working with youth in constructive activities.

Although oranges and grapefruit are called "hardware" by professional fruit buyers, these luscious citrus fruits spoil quickly if the skin is damaged by rough handling. That's why Jewel fruit specialists carefully inspect every box car and trailerload as it comes into the Jewel warehouse.

The produce manager at your Jewel is a fruit specialist too. He checks grapefruit to make sure they're firm, well-shaped and heavy for their size—a sign of juiciness and a tart and sprightly flavor. Oranges must be firm and heavy too—well-colored with a fine-textured skin for the variety. Because citrus fruit begins to dry out and lose weight if allowed to remain in the store for several days, Jewel oranges and grapefruit are delivered daily—so early in the morning, they're waiting . . . plump and juicy . . . for you when your Jewel opens!

Wouldn't it be wonderful to win a whole case of juicy oranges or golden grapefruit for your family playing Jewel Extra Value Line-Up?

Business and Finance

By MAURICE P. ANGLAND

It is, of course, very difficult to accurately predict short swings in the securities mark- ets. The present situation is one described as a "traders market" be- cause of the day to day fluctuations on the up side and the down side. These "trad- ers" are sat- isfied with small quick profits and may buy and sell the same stocks several times a week with little or no interest in the truly investment aspects of the market.

Substantial investment funds are picking up selected stocks at these levels for longer term investment. There is a general feeling of increased inflationary trend for late this year and 1959 increasing the attraction for selected common stocks.

Never before in the history of the stock market has there been the common stock demand from institutional type investors. New purchases of Mutual Funds have exceeded liquidations by an average of \$91 million per month since the market high of last July. Mutual Fund as- sets now total above \$9 billion as against \$1.4 billion ten years ago. Selected common stocks offer protection against loss of principal thru dollar depreci- ation and pension funds, profit sharing funds, etc. are constant b u y e r s of selected common stocks. The trend is for state laws to permit common stock investment by trust funds, en- dowments etc. Many large en- dowment funds with heavy op- erating costs of a current nature must protect buying power of the dollar.

Carol M. Shanks, President of Prudential Life Insurance Co., stated last week that the pres- ent economic slump is an "in- ventory readjustment" rather than a recession. He states that the downturn has been centered in durable goods and cutting back production has been to de- plete inventories and now be- lieves we are close to the bot- tom of this phase.

He further states, "By the end of 1959 the nation will be faced

with inflation again, this time with aggravation..... The econ- omy will be pressing ahead and faced with commodity and labor shortages." Mr. Shanks believes that a tax cut now would abruptly stop the reces- sion rather than allow it to con- tinue and bring on fringe dif- ficulties which will prolong the recession and with slower recov- ery and greater end difficulties.

Residential building ranks sec- ond in importance to the food and food processing industries. When the value of the land and other non-construction factors are considered with residential building, the total runs about \$20 billion per year. There are said to be about 3,000 items in- volved in every new home. Nat- urally, any change in the vol- ume of home building is felt by thousands of factories and sup- pliers in addition to those ac- tually engaged in the industry itself.

The government move to stim- ulate new home building thru lowering of down payment re- quirements, is estimated as likely to add 200,000 new homes

this year. The impact of this number of new homes is very considerable.

Each new home averages the purchase of \$1,500 of furnishings and equipment the first year. New homes create demand for new stores, schools, churches, and utility expansions etc. They also increase demand for air conditioners, exhaust fans, paint tile, plywood, plumbing fixtur- es etc.

American technological back- wardness is getting pretty ob- vious. We haven't produced a new tooth past in week.

HERE YOU ARE, LIONS!

The Tinley Park Lions club has announced they are in dire need of a good project for a good civic cause. Tinley Park is in dire need of recreational facilities for young and old.

The problem of juvenile delinquency in Tinley Park is very serious.

By providing healthy outlets for active boys, the Lions club could perform a worthy community service.

For their consideration, we would like to suggest they consider installing another baseball diamond this summer in some part of town.

The village board is planning to transform a large area of the Parkside subdivision, donated to the village, into a park.

The Lions club might consider what they can install in this park for the recreation of young people.

Tinley Park is growing so rapidly that a park system is a necessity. Helping the village to start such a project would be very worthwhile.

The Memorial Park is sadly inadequate to take care of the large number of young people who would like to spend free hours in recreation.

ROUTE 30 NEEDS REPAIR

U. S. Route 30—at least in this section—has gone skid-row. Once trim and respectable it has now become a seedy, shambling, blowsy bum among highways. Whether the state will ever do anything about it is problematical.

The state highway engineers are so busy these days rushing around with plans for super-highway that are now beginning to blot the landscape, they have time for nothing else.

Super-highways are wider and supposedly built for high speed travel, but they are not easily accessible. That one may travel faster on these so-called freeways is necessary in order to make up the time spent in finding a place to get on the road in the first place and the time spent in getting back to the one's destination after leaving the highway, in the second place.

Another thing contributing to Route 30's status as a rundown road is the fact that it does not touch Chicago. Chicago wields great influence at Springfield and it would appear that highway having direct connection with Chicago get better care than the others.

Route 30 has been kicked around for years. One of the early highways in the state, it has been replaced in part in sections near New Lenox and Frankfort but it still remains a narrow, broken-down road, unfitted for today's trucks and

cars. Route 30 started life as a concrete highway, one of, if not the first in the state. When the concrete began to wear the state elected to replace the worn sections with brick. That was when the late Louis Emmerson was governor and his good friend and former state treasurer, Omer Custer, owned a big brick making plant.

The brick sections were so treacherous when wet that as a matter of safety they were blacktopped. A blacktopped road is hazardous too when wet and under the heavy pounding of trucks soon develops ridges, hollows, cracks and holes.

U. S. 30 is an important highway that runs from the east coast to the west coast. It carries enough traffic that it should be a divided pavement, with one-way traffic in both directions.

If the state does not have the funds to do this it should at least keep the present highway in repair. Right now it needs a lot of fixing.

ORLAND PARK

It will be Father's Night at the regular monthly meeting of the Orland Park Parent Teacher Association, to be held Tuesday, April 1 at 8:00 pm. in the 7th grade classroom. Mrs. Hans Bader, will preside.

After a short business meeting the program chairman, Mrs. Dorothy Groskopf, will introduce W. O. Fisher, superintendent of Carl Sandburg High school, who will speak on "Counseling in High School." We are sure his talk will be of interest to all and especially to the parents of 8th grade students who will soon be entering high school. Special invitations to attend this all important meeting are being sent to the 8th grade parents.

Fathers who will act as hosts are Harry Burson, Elmer Libner, Bill Clark, Ted Ludes and Hans Bader. They will be assisted by the 5th grade room mothers, Mrs. Joseph Lebens and Mrs. Clarence Kelsey.

DOCTOR SCHOOL PTA

The Doctor school PTA will hold its annual Spring Rummage sale at the old Doctor school, located at 15900 So. 113th Ct., Orland township from 9 a. m. to 4 p. m. on Saturday, March 29.

All persons having articles to donate to this sale may leave them at the home of Mrs. Ed-

ward Umek, Tel. FI9-3084; Mrs. Clyde Young, Tel. 9-2917 or Mrs. Melburn Dralle.

Articles may also be left at the school. Persons who wish the articles picked up may contact Mrs. Umek or Mrs. Young.

A bake sale will also be held in connection with the rummage sale.

Donations are being solicited for this bake sale, and should be brought to the school before 9 a.m.

ORLAND BOYS

The Orland boys met at the Maue school this month with president Duane Erickson, in charge. Malven Yunker gave a talk on his dairy project. Edward Mrosek announced that the Orland Bank would present a program and movie on "How to save Money" at the next meeting, April 14. The public is welcome to this meeting.

Richard Meier, Roy Bettenhausen and Darrell Erickson will give demonstrations at the next meeting.

HELPING HANDS 4H

When the Helping Hands 4H club members met Friday evening the theme was First Aid. Many demonstrations were given on the subject.

Billings in One-to Heights is being planned for April 7, during the regular spring vacation.

Diane Ziska gave a report on the 4H rally that was held Marsh 17 in Homewood. There were 21 members present at the Friday meeting with Mrs. Z. Blitvich as a guest.

Town Meetings Will Be Held 2 p.m. April 1

Annual town meetings will be held thruout the area at 2 pm. April 1.

The Bremen town meeting will be held in the Tinley Park Municipal building, the Orland town meeting in the Orland Center school, 151st st. and 94th ave., the Frankfort town meeting in the Frankfort village hall; and the New Lenox town meeting in the basement of the Grace Episcopal church.

The oldest form of government, town officials meet the first Tuesday each April to hear and consider reports of officers and to appropriate money to defray necessary expenses of the township.

In Will county this year the townships are raising the appropriations for the assessors' offices as this is the quadren-

nial year when all real estate is revalued and the job requires more clerical help. In New Lenox, for instance, the amount recommended is \$4,000 which is double that of last year.

Girl Scout News

GIRL SCOUT OFFICERS

Election of officers at last week's meeting of Girl Scout troop 97, Tinley Park, resulted as follows: Barbara Clemem, president; Pat Cheney, vice president; Kathy Flett, secretary, and Pat Pierce, treasurer.

Awarding of six year stars was made to Diane Knudson, Bonita Rauscher, Marily Knudson and Elaine Feiwell. Five year pins were presented to Judy Blitvich, Barbara Clement, and Kathy Flett.

Girls who were working on Adventurer badges gave a fashion show showing the correct camp attire, while First Aid badge work was demonstrated by the correct way to treat a nose bleed, fainting and minor cuts and scratches.

Teen Club Five Wins Church Loop Tourney By Beating Champs

The Tinley Park Teen club basketball team won the Tinley Park Church League invitational tournament by downing the league champion Methodists 41-38 in the final game. The Teen club, which finished second in regular league play, played control type basketball in gaining the victory.

The tourney opened last Wednesday with the Teens beating Joliet DeMolay, 54 to 36. Bruce Ralson paced the winners with 21 points, with Wally Egert following with sixteen. Tall Ken Oder paced the Joliet attack with twelve points. In the second game of the evening the New Lenox Lutherans dropped the Tinley Park Nazarenes out of the tournament in a thrilling 46-45 contest. The Nazarene team started slow and trailed 27-14 at half time, but a stunning all court press brought them a 31 lead at the three quarter mark.

The Nazarene led 45-41 with less than a minute to play, but two quick steals by Tom Dusek brought victory to the New Lenox team. George Ruhle, tourney high scorer, paced the winners with 18 points, while Gary Bressi took game honors with 21.

The second evening found the Methodist team turn back Harvey by a score of 58-37. Tom Jeffers paced the fast breaking Methodists with 31 points. Jim Swafford led the losers with 13 points. The second game found St. George Catholic team dumping Markham 48-45. Ron Gallina scored 16 points for St. George, and Bob Kara pumped in 15 for Markham.

In the semi-final games the Teen Club and Methodists won two advance to the championships. The Teens had to fight off a stubborn New Lenox team to win 51-48. The game was close thruout, but excellent free throw shooting brought victory to the Teens. Bruce Ralson again paced the winners with 21 points, while George Ruhle scored 18 for the losing New Lenox cause.

In the other semi-final game the Methodist's downed St. George 57-54. Trailing 28-26 at half time, the Methodists broke into a commanding lead with a fast breaking 20-point third period. St. George put up a strong battle in the final period, but fell short as the game ended. Tom Jeffers and Jim Hon paced the victors' attack with 19 and 17 points respectively. Ron Gallina again paced St. George, chalking up 25 tallies.

The Saturday evening consolation game pitted St. George against New Lenox. The Tinley team presented the tourney's best scoring attack as they poured through 70 points to set a tournament record winning 70 to 55. In this game another scoring record was set as George Ruhle of New Lenox scored 32 points in a losing cause. Ron Gallina led the winners with 25 points.

The championship game was a close contest thruout as both teams played cautious basketball and presented outstanding defenses. The game was tied at the half, but the Teens took a three point lead at the three-quarter mark and maintained it until the final gun. Bruce Ralson led the victors for the third straight night as he scored 20 points. Tom Jeffers and Don Goesel paced the Methodist with 14 and 10 points respectively.

Got Ptomaine From Coke, Say Women in Suit

Two women, one of whom is a resident of Lockport township, are suing the Coca Cola Bottling Co. of Chicago for \$5,000 each, contending in their suit that they became ill with ptomaine poisoning after drinking coca cola. It is charged in the complaint that the beverage contained dirt and filth.

The suit was filed in the Will county circuit court by Attorney William P. Lowery, Jr., in behalf of Florence Thompson, Lockport township, and Arlice Fuller, Joliet.

According to the complaint the two women each drank a coca cola at the Greyhound bus depot in Chicago on June 17, 1957. They said they had eaten nothing at that time nor for some hours earlier. They became ill after boarding the bus and were so sick by the time they reached Lemont they left the bus and got word to relatives to come and pick them up.

In the meantime, Lowery said the husband of one of the women telephoned a doctor and the latter advised him to get the two sufferers to a hospital immediately. The women were brought to Silver Cross hospital and remained under treatment there for 24 hours.

According to Lowery the attending physician said the women were suffering from ptomaine poisoning which he attributed it to the coca cola.

EXPLAINS ABOUT AD OMISSIONS

The manager of the Jewel Food store in Tinley Park states that because of an oversight in the Chicago office, the Jewel Food store ads did not appear in this newspaper for the past two weeks. The manager is sorry about this and states the ads will run regularly each week from now on starting this week.

GOP Will Hold Dance Saturday at Sanger Hall

A dance to honor the Bremen Township Republican committeeman, Don A. Moore, will be held March 29, in Sanger hall, Tinley Park.

General chairman of the dance is George Kreis, assisted by the following committee members: Lottie Sczmanski, Helen Malia, Walter Rhode, Edward McPherson, Hollis Reeves, Clara Zap, Mathilda Steinhagen, Lucille Payan and John Firpach.

The dance is sponsored by the Bremen Township Regular Republican organization.

County and state Republican candidates will be present, including Louis E. Beckman, candidate for state treasurer.

There were 500 people at a recent GOP rally in Tinley Park, including Republican candidates for office who pledged support to Moore.

Easter Bunny Visits Billy For Last Time

Death was an expected visitor for many months at the home of a small boy, a victim of cancer, and made his call Tuesday, March 24.

Before he died, Billy Haack, who would have been five years old on April 25, had the pleasure of an Easter bunny and basket given to him by a neighbor last Saturday.

Santa Claus made an early call at his home last Christmas when doctors believed he would not live until Dec. 25.

Billy was the son of Mr. and Mrs. Wilbur Haack, of 14254 Luna ave., Tinley Park. Funeral services are being held today with burial in St. Benedict's cemetery, Blue Island.

Besides his parents, he is survived by nine brothers and sisters.

Rayson, Candidate for Congress, Speaks at Neighborhood Meetings

Speaking informally before a group of persons in the home of Mrs. Leslie Johnson, 168th and Kilpatrick ave., Tinley Park last Sunday afternoon, Leland H. Rayson, Democratic candidate for the office of representative from the 4th Congressional district, expressed his views on important national issues.

One of many such gatherings being held to acquaint voters with the candidate, those present were interested in Rayson's policies, particularly as regards to labor and foreign policy.

Elaborating on such issues as civil liberties, reciprocal trade and the present recession, the candidate expressed in clear, concise terms his standing and opinions on these and other national problems.

Rayson, who expressed confidence in being elected despite the fact the suburbs, according to popular opinion, are strongly Republican, explained how conditions are changing rapidly.

The 4th Congressional district, he stated, is comprised of a good cross section of Americans. It includes urban and suburban communities, farming and industrial areas.

The Republican incumbent is William E. McVey, of Harvey who has held the office since 1950.

Leland Rayson and his wife Barbara live on 168th st., Tinley Park. They have five children, four sons and one daughter.

Two years ago he was defeated by Republican Frank Ozinga, of Evergreen Park, for state senator from the 6th district.

He is presently Bremen township assessor.

An attorney, his office is located at 17326 Oak Park ave., Tinley Park.

Gene Jeffries Hits Policeman; Now In Jail

Gene Jeffries, 19, Lincoln Estates, is in the Will county jail as a result of having slugged Frankfort's new police chief Frank A. Simon, last Saturday night.

Jeffries came into the Frankfort tavern Saturday night and demanded service. The bartender, knowing him to be under age, ordered him out of the place. Jeffries had been drinking someplace before he came into the tavern, the report states, and when ordered out he became quite quarrelsome.

Simon was called and as he entered the place Jeffries launched a haymaker that caught him in the eye. Simon, witnesses said, showed great restraint and instead of retaliating he merely took Jeffries by the arm and led him off to a cell in the village jail.

He was arraigned before Justice of the Peace Herbert Folkers on a charge of disorderly conduct and his bond set at \$200. Unable to post such a bond, Jeffries was taken to the county jail Sunday morning and has been there since. His case is scheduled to come up for hearing Saturday at Frankfort.

Firemen Burn Abandoned House at Orland Park

The Orland Park fire department was called to supervise a spectacular fire which drew a large number of spectators was at 183rd and Southwest highway.

The 3-room building which had been unoccupied for three years, was set afire deliberately because it was a nuisance and a hazard to the children of Orland Hills.

Permission to raze the building was received by Frank Guetter from the owners, the Talman Savings and Loan association.

Officers of the Orland Hills civic organization wish to thank the fire department and those responsible for its demolition.

Register Pupils For Next Fall At Orland School

Enrollment of children in the 1st thru 8th grades at the Orland Park Elementary school should be made either with written notification or by a call to the school the week before the Easter holidays.

Norbert Jerling, school superintendent, who makes the announcement, advised that in order to qualify for entrance in the first grade, children must be six years of age on or before Dec. 1. This regulation is in accordance with the Illinois School Code.

The registration is being made so the school may determine enrollment for next year and so that new students may spend a day in the first grade classroom to orientate them for school next year.

As soon as the list is compiled, notifications will be sent as to the day the children should be present in class.

Parents who plan to send children to the school next year are asked to notify the school immediately.

This is necessary because the new building addition requires additional teachers and plans for next fall must be made now.

Orland C. of C. to Attend Bus Service Hearing

Roy Benson, president of the Orland Park Chamber of Commerce, will head a delegation of members who will attend the hearing of the Illinois Commerce Commission on Friday, March 28.

The hearing is on a petition of the Suburban Transit Lines for certificate of choice and necessity to operate a bus line between Orland Park and the Chicago Loop.

The lines would also serve other southwest suburban communities.

Village Attorney Raymond Pieper was also instructed by the village board to attend the hearing.

Orland Park's chief interest is to obtain transportation for the area. Another bus line, the Bluebird, has also expressed interest in serving the communities with transportation.

The proposed route of the bus line would be from the starting point at 143rd st. and West ave. to route 45, north to 135th st., east to Harlem ave., north to 111th st., east to Ridgeland ave., north to 95th st., east to Cicero ave., north to Cermak rd., thence to Ozden ave., Ogden to Washington st., to the bus depot on Randolph st.

Another route would have a transfer point at 79th st. and Cicero ave., for local buses.

Adamowski Asks Orland to Repeal Road Annexation

The Orland Park village board received a letter from State's Attorney Benjamin Adamowski requesting that it rescind its ordinance annexing certain roads that form a perimeter about the village.

The Cook county prosecutor is combatting strip or corridor annexations and Circuit Judge Fisher has handed down an opinion in the case of Hickory Hills that such annexations are illegal.

Whether Hickory Hills will appeal the case to the Illinois supreme court is not apparent at this moment.

Mayor W. R. Schussler, Jr., of Orland Park, is writing Adamowski, explaining that the annexing of the roads in the Orland Park area was purely a defensive measure to keep from having Orland territory gobbled up by other ambitious communities.

The mayor emphasizes that the village has never attempted to patrol the roads and does not intend to do so. Adamowski said that he has reports that some villages have used these corridor roads as speed traps. Such arrests, the state's attorney declared, were illegal.

Mayor Schussler will also tell the state's attorney that Orland Park is ready to cooperate with his office but would like some assurance that the rights of the village will be protected.

CHECK MISSING

A payroll check issued by the New Lenox Body Co., Spencer road, last Saturday to one of its workmen, Cleo Maish, was taken from his lunch box it was reported to the sheriff's office at Joliet. Two young men from Mokena who were at the shop Saturday morning were questioned but declared they had not seen the check. Payment on the check, which was made out for \$140.96, was stopped by the firm.

City of Hope Seeks Funds

A drive for funds for the City of Hope will be conducted in Tinley Park Saturday, March 29 from 9 a.m. to 5 p.m.

Chairman of the drive is Joseph McCarthy. Workers who will make door to door solicitations are members of the Tinley Teen club. The teenagers are also placing posters thruout town illustrating the beneficial work being performed for the victims of catastrophic diseases.

The national medical center of City of Hope is located at Duarte, Calif. It is dedicated to the war against cancer, leukemia, tuberculosis, and heart ailments.

Proceeds from the drive are used to continue the search for new methods, new techniques, and new cures for these diseases while continuing research and an investigative program.

Public support may mean discovery which can save thousands of lives in our own community.

Prize Winners At Swanberg's Open House

The Open House at Swanberg Farm and Auto Service, Wolf road, Mokena, on March 14, attracted a great many interested visitors.

Many prizes were awarded during the Open House. The following were the lucky winners: Carl Darnstadt, Lockport, a week's vacation for four at Crystal Falls, Mich.; Howard G. Cooper, Orland Park, an electric frypan and cover.

Joe Scott, of New Lenox, was awarded an electric shaver; Stanley Williams, Mokena, a pair of gloves; and Alfred Helt, Manhattan, a toy tractor, disc and spreader.

Other winners were Roy Kohl, of Mokena, a grease gun; Loren Schleeter, of Manhattan, a five gallon Truxoyl; and Don Piepho, of Dyer, Ind., a hitch pin.

Mokena Woman Hospitalized After Crash

Mrs. Donald Ambuehl, 50, of 272 E. Front st., Mokena, was hospitalized Saturday afternoon following a 2-car collision on U. S. 30 near Lincolnwood. Driver of the other car, Mrs. Irene Prodehl, 27, of Green St., New Lenox, was also taken to Silver Cross hospital for examination and was then released. Mrs. Ambuehl remained at the hospital.

According to the report of state police, Mrs. Ambuehl was traveling east. Route 30 has been breaking up following the thaw and while state crews have been making repairs fresh breaks have been developing.

It was such a break that was blamed for the accident. Mrs. Ambuehl saw a long hole in the pavement in front of her and slammed on her brakes to cushion the jolt. Her car skidded going over into the other lane and colliding with Mrs. Prodehl's car, which was heading east.

The two women were taken to the hospital in the Gerald P. Dames and Sons ambulance. The accident occurred about 3:30 o'clock.

Mrs. Ambuehl suffered a fracture of the right arm just above the wrist, a gash over the right eye and a cut on the right side of the head that required stitches. The arm was set Monday.

Mokena School Chorus to Present Operetta Tonight

Members of the Mokena grade school choir will take part in their annual operetta this evening when they present Gurske and Gregory's "Hold That Curtain", in the school auditorium. Curtain time is 8 p.m.

The Mokena Grade school band will make its second appearance of the year when they will appear for music between the acts. The choir is under the direction of Glenn L. Miers and the band under the direction of Perry Friedman.

Mokena Teen Club To Sponsor Fashion Show on Saturday

The Teen club of Mokena, in order to raise necessary funds to carry on their activities, will sponsor a fashion show Saturday March 29. It will be held in the Mokena public school starting at 8 p.m., to which they invite everyone to attend.

Many new spring fashions will be modeled, all by local persons. There will also be entertainment, prizes and refreshments. Tickets may be purchased at the door and from any Teen club member.

By Mrs. H. E. Donovan
Homeowners' Association

The monthly meeting of the Kimberly Heights Homeowners' association was held March 12. The treasurer reported expenses paid and a balance in the treasury.

Harold DeRuntz had nothing further to report on the roads.

The school committee chairman, Harold Kenworthy, reported that the bond issue for the 4-room school in Kimberly Heights had passed with 97 votes for the bond issue and 23 against. He reported that the committee had attended a school board meeting of District 145. At that time the official go-ahead for the school was given, and plans were released to the architect. The building contract cannot be awarded until it is known how much money will be available with which to operate. Mr. Kenworthy also reported that an election on March 8 approved an increase of 21c per hundred dollars in school taxes for Bremen township high school.

The Sanitation Committee chairman, Otis McNamara, reported his committee had completed their survey of septic systems in the area. The committee compiled the report statistically and reported at a special meeting Friday, March 21.

Zoning representative, Ivo Mersmann, reported that we are officially registered with the zoning board and will be notified of any action taken on zoning. He received copies of present zoning regulations as well as a draft of the new zoning regulations being proposed for Cook county.

The membership committee chairman, John Witte, reported he would solicit new members when a list of resident homeowners for the area is obtained.

The publicity committee chairman, Harold Rennpage, reported that Carter LeBeau would discontinue sending news to the Tinley Park Times, and that Mrs. Evelyn Donovan would take over this responsibility in the future.

The Liaison committee chairman, George Ames, reported he would try to get the Neighborhood committee together for a meeting.

Under new business, the board decided that at future general membership meetings of the Homeowners' association they would try to obtain speakers on such matters as taxes, insurance and other matters of public interest. It was decided the next general meeting would be held in the home of Ivo Mersmann Sunday, May 18, 1958.

The publicity committee in conjunction with the secretary, were requested to obtain cost estimates to purchase a duplicating machine for the use of the association.

The membership committee, under the chairmanship of John Witte, was given the added function of welcoming new residents into the neighborhood.

Harold Rennpage reported that numerous complaints had been received from residents in

the area that neighborhood dogs are running around free, ruining plants, shrubs and trees. It was suggested that the residents be urged, in consideration of their neighbors, to keep their dogs on a leash when outside.

Harold Rennpage also stated that residents on Ridgeland ave. were having difficulty driving on Ridgeland avenue on days when the Reformed church was holding services. He stated Ridgeland ave. is a single lane road and that when individuals attending the Reformed church park on Ridgeland avenue it has been impossible for traffic to move. It was suggested that a resident from that area act as spokesman and request the minister to speak to his congregation about parking. If this does not help, it was suggested that the Association then take action.

The next monthly meeting will be held on April 9, 1958.

When you hear the words "Progressive Party" in Kimberly Heights, it does not mean a new political party, but refers to a progressive dinner held in several homes on a recent Sunday.

The first stop was 16351 Ridge land, where shrimp cocktails were served by Hostesses Witte, Orsinger and Klecka. Then on to 16460 Beverly, where Latoosa Brown and Janet Main had prepared a delicious salad. It was a short hop next door for the main course, the result of the combined culinary talents of Mesdames Olander, Popp, Petersen and Stewart. When the party wound up at 6231 Gaynelle for dessert and coffee, served by Mrs. George Ames and Mrs. Elmer Braun, all agreed that no one would need a bedtime snack that night.

This group of neighbors has had a number of good times together. It all started back in the days when everyone was a newcomer to Kimberly Heights, and several couples decided to have a few parties to get better acquainted. Their Halloween masquerade party must have been a real ice breaker, for who could remain dignified or cool, clad in a suit of winter "long-johns." The group, now about 30 in number, is looking forward to the warm weather, when a hay ride and barn dance is in prospect.

About 20 ladies were ooh-ing and aah-ing over the beautiful selection of gifts displayed at a Gift Wagon demonstration last Friday night at Lorraine Heinbecker's, 6331 Kimberly, and those tiny cream puffs were simply irresistible!

Speaking of tempting dishes, how about that delectable array at the Presbyterian church family dinner, held Friday night?

Mrs. Milo Stoces, 16501 Ridgeland, is going 'round and 'round, practicing her driving technique close to home before venturing out on the highway with her new car. Cars may have improved somewhat in the last 12 years, but you still have to look at the gas gauge occasionally, Ellen.

hours and 15 minutes.

Charles Harris attended the Shrine circus, as the guest of his grandmother, Mrs. Robert Hunter, of Chicago.

Mrs. Al Karre and Mrs. Robert Anderson were guests of Mrs. Jack Nelson last Friday at the meeting and hobby show of the Home Bureau at the Palos Park Community Center Foundation. The Home Bureau is planning its annual salad luncheon to be held April 18 at the Cen-

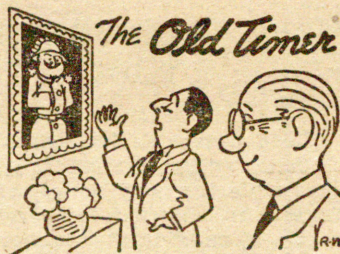

ter.

Mr. and Mrs. Henry Anderson plan to be residents of their new home in Laguna Woods May 1.

Mr. and Mrs. Banus and their three children visited neighbors Sunday. They own the lot between the Henry Anderson and George Carrol homes and do not plan to build for a few years.

Wayne Biederman has joined the choir of the Christ Lutheran church in Orland Park. Mrs. Karre has also been the soloist several times during this Lenten season.

Mr. and Mrs. Robert Zdestky and family are now residents of the Woods and are neighbors to the Bradshaw family and the Al Karre's.

"Some people boast they can trace their ancestors back for centuries, yet they don't know where their kids were the night before!"

A mistake proves somebody stopped talking long enough to do something.

Knater Opens Campaign Office In Sheriff Race

Headquarters for Gilbert A.
Knater, Republican candidate
for sheriff in the April 8 pri-
maries have been opened in
rooms 229 and 230 of the Hotel
Louis Joliet, Clinton and Scott
streets, Joliet.

The headquarters will remain
open day and evening hours
thru the primary election, ac-
cording to the Knater for Sheriff
committee. Literature will be
available for those interested
in Knater's candidacy, they
said.

Nearly 100 volunteer workers
have already been campaigning
in behalf of Knater, the com-
mittee stated.

Long Career as Policeman

Knater resigned from the Illi-
nois state highway police, after
more than 25 years of service,
to be a candidate for sheriff.
For many years he was a lieu-
tenant and commanding officer
of state police headquarters,
District 5, at Joliet, where he
directed the activities of state
police officers in four counties.

Last week in Springfield,
Knater was feted by some 50
captains and lieutenants of the
Illinois state police system. He
was presented with a set of
luggage by Chief William H.
Morris, formerly of Joliet, in
behalf of the group.

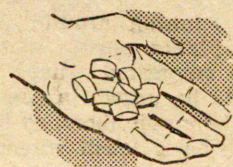

The 52-year-old Knater also
served as chief deputy under
the late Sheriff James O'Neil.

Born in Joliet, Knater also

resided in Frankfort and Man-
hattan.

Knater is basing his campaign
on his law enforcement experi-
ence, which totals some 30
years. The telephone number of the
new headquarters is 6-9121.

Water Softeners Need Less Attention

...when you regenerate
with Sterling Brine Buttons!

These handy "buttons" of
highest-quality salt are easy to
use. Just measure them right out
of the bag into your water-
softener tank. They dissolve
completely, so there's never any
residue left to flush out after
salting. Best of all, with Sterling
Brine Buttons you regenerate
less frequently!

Economical. Because fewer re-
generations are needed, a bagful
of Sterling Brine Buttons goes a
long way. There's no waste,
either. And, most important,
these pure, concentrated "but-
tons" of salt cost so little.

Softeners Work Better. Sterling
Brine Buttons are made for

either single- or double-tank
softeners. They're just the right
size, shape and density to dis-
solve at a uniform rate. And,
unlike loose salt, they prevent
caking in your softener. Thus,
Sterling Brine Buttons keep
your softener at peak efficiency
—longer!

* There are other types of Sterling Water-
Softener Salt available. Ask your dealer
or soft-water service man to recommend
the type that's best for your softener.

F & S Banquet

The father and son banquet given recently by the Christ Lutheran church in Orland Park was carried out in an unusual manner.

The theme of the decoration was, "Railroading" and was carried out with miniature trains, blinking lanterns and nut cups. Place cards depicted railroad crossing signs.

The souvenir menus which were intitled "Father and Son Express" contained interesting railroad data with prizes given to the trains that were fortunate to leave and arrive on time.

The timetable, being the banquet program, contained appropriate songs. Helen Duehr as railroad captain and her capable crew originated this novel idea. They also served as waitresses and were dressed as railroad workers.

Movies were shown after the dinner. Everyone had a most enjoyable evening.

Orland Woman's Club

Mrs. Karl Ekberg and Mrs. Fred Blackstone of the Orland Park Woman's club were guests of the Palos Heights Woman's club, March 18. They enjoyed the program, which was a style show, of dresses which members had made and the 4-H girls' achievement program; also a hat sale. Refreshments followed the show.

The president attended the third district board meeting, March 21 held at their headquarters, in Chicago.

About 50 friends and relatives gathered for a house warming Saturday evening, in the new home of Mr. and Mrs. William Rauch on 143rd st.

Mr. and Mrs. Lloyd Cowan are being congratulated on the birth of a granddaughter, born Tuesday, March 18 in Silver Cross hospital, Joliet. The infant weighed seven pounds, six ounces and has been named Dawn Marie. Her parents are Mr. and Mrs. Robert Miskee who reside in the Earl Ender's building on 143rd st. Mother and daughter are home and doing fine.

A reminder that the Esther circle of the Methodist Woman's Society of Christian Service, will meet today, March 27 at 11 a.m. in Wesley hall.

The contractor of the newly built Doctor public school, Edward Ritzer and the architect, S. H. Wilkens entertained the members of the Doctor Public School board and their wives at dinner Saturday afternoon. Present were Mr. and Mrs. Henry Andresen, Mr. and Mrs. Gordon Doctor and Mr. and Mrs. Elmer Aggen.

The 10th annual instrumental festival of the Luther college Dorian society was held March 6 and 7 at Decorah, Ia. This is the occasion when various schools register the names of their most promising instrumental students. Among the 87 schools registering was the Orland Park school which sent in the names of Richard Scherubel, Bob Schneider and Bill Nevin, who enjoyed very much this opportunity.

The Ladies Aid of Christ Lutheran church will conduct their annual pre-Easter bake and food sale, Saturday, April 5 in the church school building. The sale will start at 1 p.m. This is a good time to get dessert for the Easter dinner.

Mr. and Mrs. Jerry Granat are the parents of a baby girl, born Sunday, March 16 in Little Company of Mary hospital. The baby has been named Valerie Ann. She weighed eight pounds, six ounces. Mother and daughter are now home and doing fine.

Firemen Busy

The Orland Park firemen were busy Sunday, March 23, putting

out fires. At 9:30 a.m. they were called to 143rd st. and 76th to a grass fire; in the afternoon, they were called to 135th st. and Elm where an old shed building was afire, and to 138th and 92nd ave. which was a grass fire.

The American Red Cross fund drive for the suburban communities is still on. Mrs. Lillian Knox, chairman for the Orland area has mailed letters to the out-lying areas with a self addressed envelope to mail contribution. Mrs. Karl Ekberg, Mrs. Elmer Libner, Mrs. Frank Buck, Mrs. Foster Myrick, Mrs. Joseph Kaiser, Mrs. Charles McKinley, Joan Reish, Betty Utte and Mrs. William Horton are soliciting in the town. If anyone has not been contacted as yet, they may send contribution to the chairman, Mrs. Knox, Box 103, Orland Park.

Craig R. Reuter, son of Dr. and Mrs. Raymond Reuter, Rte. 1, Orland Park, is among the 49 members of the Denison university Men's Glee club scheduled to appear in concert in six cities in Pennsylvania, District of Columbia, New Jersey and New York during the annual spring vacation. Reuter, a freshman at Denison, is in the baritone section.

State Liquor Body, Village Clash on License

(CNS)—Evergreen Park has petitioned Superior court to upset the Illinois liquor control commission's reversal of the village's refusal to issue a liquor license to the White Mill restaurant, 3422 West 95th St., Evergreen Park.

Village Attorney Peter Schultz filed the petition for administrative review Friday after the state liquor commission earlier in the week had denied Evergreen Park's request for a new hearing in the case.

Evergreen Park's lawsuit contends the state liquor commission's order that the restaurant is entitled to a liquor license was "erroneously based on an assumption of power to determine the validity of village ordinances."

When the village had refused a liquor license, the restaurant appealed to the state liquor board. Evergreen Park's posi-

tion was that the number of liquor licenses are limited to 16 in the village and that all have been issued.

The village has asserted that a covenant running with the restaurant's property prohibits sale of liquor on the land.

The village code prohibits the sale of intoxicating beverages at a location within 600 feet of a church. The restaurant is less than 600 feet from two churches, Schultz said. They are the Westminster Church, 9544 S. St.

Louis, and the First Methodist Church, 9344 S. Homan.

In further defense of the village's position, Schultz has urged that a majority of the restaurant's patrons are teen-agers.

The Southlands

DORIS WOLFSON
Kellogg 2-3840

Where are all these people who favor annexation to Tinley Park at this time? I can't find any. All those I've spoken with agree that any major step should be accomplished as a unit, a Southlands unit, with the majority opinion ruling.

The Cub Scouts have an "angel" in the background in the human form of Burton Fuller. Mr. Fuller's talents and generosity have produced the Cub Scout Pack flag. Currently he is working on several flagpole stands. These people who quietly work for the good of others, are tops! For identification purposes, he is the uncle of PTA president Dorothy Gebie.

The next PTA meeting features R. H. Cline, of the Cline nursery. A film will be shown, and Mr. Cline will judge plants and sweet potato vines grown by children in the area, with awards to be presented.

Our deepest sympathy to the Evans family on the loss of Myrna Evans' father. Mrs. Evans flew to Pennsylvania.

A board of directors meeting of the Property Owners association will be held this evening at the home of Al Richard.

Although the Spainhour house has not yet been sold, Mrs. Spainhour was too lonesome to change her mind about flying to Ft. Worth, Texas for a 3 day reunion with hubby. Mrs. Spainhour's daughter accompanied her.

The Boy Scout scrap drive has been postponed to Saturday, or metal scrap we can find whatever ready and waiting for the Scouts to haul away.

The Mothers Club is engaged in the profit making project of selling Kathryn Beich candy, which is the most delicious confection I've ever tasted. Here's hoping the Katydids are sold out before they prove to be my complete undoing.

That reminds me, we had the first meeting of the Diet club, and decided to meet every two weeks for a period of three months. Our slogan is "Slim for Summer!"

Talk about thoughtful gestures! Mrs. Henry Bormet invited the writer for dinner recently while husband was out of town. Donald Bormet has made some beautiful Easter baskets which are on display in Service Cleaners.

Martha Dinger has resumed her duties as Avon representative for our area. Those shots and liver pills are succeeding in restoring Martha to her energetic self again.

Mr. and Mrs. Jerry Peters had a family reunion at their home Saturday night. Agnes Peters immediate family from Chicago came out, including sister's new heart interest, and a good time was had by all. P. S. All approved of sister's beau!

Mr. and Mrs. Walter Knobloch invited mother, Mrs. Edna Kosche, Elgin, to be their guest for a few days. Lois Knobloch confided there's more to this than meets the eye, as she is currently combining running a home and attending Chicago Teachers college. Is a guest supposed to take care of all the many chores available? Anyway mother Klosche does.

Mrs. D. T. Walker, Francis rd. has been a surgical patient in the Methodist hospital in Rochester, Minn. She expected to return home this week.

Alice and Dale Schroeder, children of Mr. and Mrs. Beldon Schroeder of Arkdale, Wis., are vacationing here with their grandparents, Mr. and Mrs. Frank W. Schroeder and family, of North Cedar road.

The condition of Mrs. Harry Werner, who has been confined to Silver Cross hospital the past two weeks, as a medical patient has improved.

Mrs. Victor E. Dolan returned Saturday from Silver Cross hospital where she was a surgical patient.

Election and installation of officers was held at the March meeting of the New Lenox Methodist Mens club. Members of the WSCS served the 7 o'clock dinner to the group of men, prior to their business meeting and program. Ed Murphy of Joliet, from the Caterpillar company gave an interesting talk on Safety. The new officers are: President, Walter Lewis; vice president, Kenneth Kinnepp; secretary, Fred Reinert; treasurer, Jim Stegner; and publicity, Roy Fitzer.

Surprise Party

Mrs. Ernest Rydberg assisted by her daughter Mrs. Harold McCall, entertained at a surprise birthday party, in her home Saturday afternoon, honoring her grandson, Donald Hobbs who was seven years old. Games were played and prizes were awarded to Bruce and Colleen Buckler, Jill Valy, Carl Seivert, and Colleen Campbell. Refreshments were served at quartet tables that were decorated in Western motif. Western hats and favors were given to each guest, and Donald received many nice gifts from his friends. Those present were Bruce and Colleen Buckler, Colleen Campbell, Carl Seivert, Billy Stockley and Jill Valy of New Lenox, Mark and David McCall and Debbie Polcyn of Lockport.

First Child Study Club

Twenty members attended the meeting of the First Child Study club held March 18 in the home of Mrs. Paul Crooks, Cooper st. Mrs. Robert Buckler assisted.

The program was Christopher recordings on Child Guidance. Mrs. Gerald Schreffler led the discussion.

For this year's project the group will donate money to the Trinity school, and to the milk fund for the schools of New Lenox; and to the local library for children's books.

The next meeting will be held at the home of Mrs. Ronald Vondrasek, and will be the annual "Husband's Night."

Boy Scout Troop 49

Boy Scout Troop 49 held a Father Son meeting at the Boy Scout cabin in the Camp ground Thursday night. The meeting was attended by many parents, and there was 100% attendance by the scouts.

After the formal opening ceremony, Scoutmaster Robert Buckler introduced various members of the troop committee, who explained their duties as committeemen.

The talks were followed by a Candlelight tenderfoot Investiture ceremony. Nine candidate scouts were invested by assistant Scout Master Norman John son, who presented them their Tenderfoot badges. They were, Richard Archer, Darold Engel, Ray Gobush, Robert Manheim, Jim Redlin, Charles Roberson, William Trench, Joseph Wajchert and Robert Wilcosz.

The ceremony was followed by a Court of Honor at which Kent Engel and Keith Thackrey were presented their first class Scout badges. At the same time, Keith Thackrey was appointed junior assistant Scoutmaster, and Kent Engel was appointed Senior Patrol leader.

Year pins were presented to

several members of the troop. The meeting was concluded with a talk by Fred Feil, commissioner on camping for the Rainbow Council. The talk was accompanied by color slides. The group decided to hold father son meetings frequently. The next one was tentatively set for late spring, and will include a cookout or picnic. Refreshments were served.

The members of the troop committee recently elected are: Jim Davies, chairman; Ronald Whitaker, vice chairman, and activities; Paul Alexander, institutional representative; Ray Webster, advancement; Henry Engel, secretary-treasurer; Ed Archer, publicity; Carl Meitsner, advancement; Dick Swanson and John Vincent, swimming in instructor and outdoor water activities.

Counselors are urgently required to instruct the troop members in the various subjects in which Scouts must pass tests for regular advancement or for merit badges. There are many subjects in which the boys may qualify, therefore anyone who has a skill and who can spare approximately an hour a week is requested to contact Ray Webster, Scoutmaster, or assistant Scoutmasters, or any members of the committee.

Eleanor Hammond, 160 S. Cooper st., has won a freshman scholastic scholarship to Illinois Wesleyan university, Bloomington. The scholarship was awarded as a result of a competitive written examination.

In order to win the scholarship a student must have a high record in high school and demonstrate outstanding academic ability on the written examination.

Federal Government Seeks Stenographers Must Pass Tests

Stenographers and typists are still needed in various Federal agencies in the Washington, D. C., area, the U. S. Civil Service

Commission has announced. The starting salary for most stenographer positions is \$66 a week, and for most typists, \$61 a week.

To qualify for these positions, applicants must pass a general clerical test to determine their ability to do office work, and a typing test which consists of typing an exercise from plain copy. Stenographers must also pass a stenography test consisting of dictation at the rate of 80 words a minute and questions to be answered from their notes. No experience is required. Applicants may apply and take the test if they have reached their 17th birthday.

The written test is held at

Exchange Students

The Student Council is planning to sponsor a foreign exchange student for Lincoln-Way. This means that a high school student from another country will attend Lincoln-Way for one year, but it does not necessarily mean that one of our students will be exchanged. This exchange program is nationwide and there is a lot of details to be worked out before a student can come. We need the support of the whole school and of all the communities. More details will be given later. If you have questions, ask your student council representative.

Norma Heidrich, Lincoln-Way Student Council secretary, is running for the office of second vice-president at the state convention. Also at the State Convention, Judy Eden, L-W council member, will lead a discussion group.

Future Farmers

At the last meeting of the Lincoln-Way Chapter of Future Farmers of America the following officers were elected:

Charles Mark, president; Jim Gast, vice-president; Philip Moench, secretary; Ron Bullion, treasurer; Allan Hentsch, reporter; and Bryan Smith, sentinel.

Following the election Charles Mark was introduced as winner of this year's DeKalb award. Three of the boys from F.F.A. have filed application for the Future Farmer State Band in which students who are members of both chorus or band and the Future Farmer organization may participate.

Winners of the garden seeds sale campaign were announced, the boys to choose between the Purina trip to St. Louis and a trip to the Farm and Home Festival at the University of Illinois.

The Wayside Workers' circle of King's Daughters will meet at Homer church Thursday, April 3, at 1:30 p.m. The hostesses will be Mrs. E. J. Padock and Mrs. Iola Storm.

Mrs. Ray Carlson, Red Cross chairman for the south half of Homer township entertained her co-workers at breakfast Friday morning when they turned in the results of their canvass.

The Lunchettes, a new Homer social club, met Thursday noon in the home of Mrs. Stanley Norbet for their regular meeting. Present, beside the charter members, were Mrs. Eleanor Morey, Mrs. Dorothy Filipowicz, Miss Anges Fisch, Mrs. Katherine Blazeovich and Mrs. Mildred Milsap. Mrs. Blazeovich and Miss Fisch became members of the group. A stork shower in honor of Mrs. June Cesar was a special feature. She received many lovely gifts.

Mrs. Charles Sass, Mrs. Don Reid, Mrs. Charles Jensen and Mrs. Ray Carlson attended a banquet and lecture at the Central Presbyterian church in Joliet Tuesday evening, which was given in the interest of Exceptional Children.

Another candidate for the 33-C school board has filed his petition, making four candidates for two places on the board. They are Owen Ott, Russell Lauffer, Ted Czimer and Ralph Reiter, Jr.

At Homer church on Sunday, March 9, some one mistakenly took a steel-grey top-coat and left a brown one. If any one finds he has the wrong coat, the Brown one is waiting for him at the church.

Several Homer grade school pupils attended the Shriners' circus at Chicago last Saturday as guests of the Crawford bus company, who do the hauling of the children to school. The guests were the drivers partol boys, and one or two others who went as a reward for their good bus manners.

Easter Plans

An interesting pre-Easter week is being planned for the Homer church.

On Palm Sunday, March 30, infant baptism will be held. Several people have signified their intention of having their children in this service. If there are others who wish to do so, please contact the Rev. Roy Hanson before that date.

On Maunday Thursday, Communion will be celebrated at an 8 o'clock evening service at which time new members will be taken into the church. A class for young people who desire to become members is being conducted by the Rev. Mr. Hanson. Again any who desire to affiliate themselves with the church should contact the pastor soon. At last report, nine people had expressed such an intention.

A group is planning to attend the Palos Community Center sun-rise service and then return to the church here for breakfast. The Rev. Mr. Hanson will be one of the speakers at the Palos service.

Mothers' Club of 33-C

The Mothers' club of 33-C met at the school house Thursday evening March 20. The president, Mrs. Don Reid, presided. A nominating committee was appointed to be in charge of the election of officers which will be held at the April meeting.

April 13, the group will sponsor a roller skating party at the Lockport rink. Tickets are available from members of the club. May 2 was tentatively set as the date for a card and bunco party to be held in the school.

Following the business meeting, bunco was played and prizes awarded.

Refreshments were served by a group of Goodings Grove mothers.

Plans were discussed for a white elephant sale to be held in May.

Mrs. Marie Ott and the Robert Langlois family of Lockport were dinner guests Sunday of Mr. and Mrs. C. G. Rowley.

Barney W. Welter, supervisor of Homer township has filed as a candidate for member on the Lockport high school.

Illinois Dairy Group Hold Annual Meeting

Financial gains tell only a part of the success story of the American Dairy Association of Illinois, its manager, Milton

C. Geuther of Mokena, told members at the 18th annual meeting held at Southern Illinois university at Carbondale.

"The real progress", Geuther said, "is the numbers of dairy farmers and others who are working together to make this a successful program.

Geuther kept his report brief so that nine of the state directors could tell about the special projects carried on by A.D.A. of Illinois this past year.

Among those introduced to the members was that A.D.A. merchandising director, L. J. Cork, who will work out of the Joliet office thru dairies, food stores, restaurants etc., Cork has had 15 years experience as manager of a variety store, with a food counter, and 10 years as owner and operator of a super-market.

Selling more milk is one of the aims of the dairy association. Wayne Churchill, of Joliet, former Will county farm adviser and now with National American Dairy Association, used slides and films to show the advertising and merchandising program for 1958.

The meeting was called to order unofficially by an attractive co-ed clad in shorts and what purported to be a giant cheese slice, giving photographers a real "cheesecake" shot.

Directors were chosen and they in turn elected officers for the coming year.

Elwood Howell, of McHenry, was named president; E. K. Hutter, of Quincy, vice president; Howard C. Klett, Joliet, secretary and treasurer.

Sen. O'Neill Says Moves in on Foot to Abolish Primary

At a recent meeting of the Hinsdale Women's Republican club, Senator Lottie Holman O'Neill called attention to the fact that a study is now being made looking toward the possible repeal of the direct primary because of its cost.

The objection on the basis of cost is due to the fact that people are not voting in the primary. The Hinsdale Women's Republican club advocates and supports the continuation of the

direct primary. The club calls upon all voters to assure the perpetuation of the direct primary by casting their votes in the April 8th primary election.

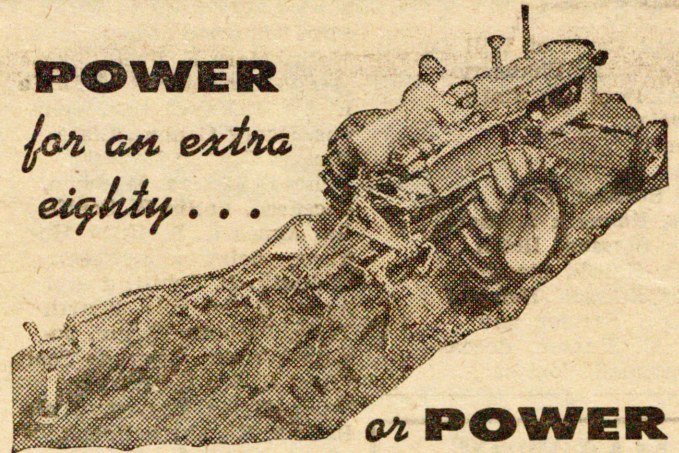

The alternative to the direct primary is the convention system.

3,000 NICKEL ALLOYS

There are in use today more than 3,000 alloys containing nickel in varying proportions—ranging from 99.7 per cent in malleable nickel to 0.020 per cent in a hardenable silver alloy.

POWER

for an extra
eighty...

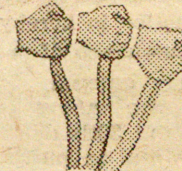

or POWER

to save
field time

You can farm more acres... or farm the same acreage in less time with the Allis-Chalmers D-17. This new tractor represents big farming power built for you.

You can really cover the acres with a big moldboard plow... a 15-foot tandem disc... a 24-run grain drill. And the D-17 handles easier than most small tractors!

New Power Director lets you shift from low to high range on-the-go... or stop entirely... all without clutching or affecting PTO speed.

Before you decide on your farm power for '58, ask to drive the big new D-17.

CHRISTIAN SCIENCE CHURCHES
 God's supremacy and power will be explained in Lesson Sermon entitled "Reality" at Christian Science service, Sunday, March 30.
 From the Bible will be read the following (I Chronicles 11): "Thine, O Lord, is greatness, and the power, the glory, and the victory, the majesty: for all that is in the heaven and in the earth, thine; thine is the kingdom, Lord, and thou art exalted head above all."

Correlative passages to read from "Science and Health with Key to the Scriptures" Mary Baker Eddy include following (472:24-25): "All ality is in God and His creation harmonious and eternal." The Golden Text is 1 Psalms (33:11): "The counsel of the Lord standeth for ever, thoughts of his heart to generations."

WATER ?

Whenever we drink a glass of water, we should be reminded of the 'Water of Life'.

Read John 4:13,14:

Then say -
 Heavenly Father
 Refresh us
 with the living
 Water of Life,
 that we may
 have
 Eternal Life.
 Amen.
 (Yes - it shall be so.)

Congressman Mason Urges Tax Cut to Stimulate Consumer Buying

BY CONGRESSMAN N. M. MASON

Today we are experiencing a recession, a slackening off of business activity, a reduction in jobs, and an increase in unemployment. We are told that there are between 4½ and 5 million of our workers unemployed. The cause? Heavy taxes; shortage of purchasing power; restricted credit; severe winter; etc. Well, how badly off are we?

During the Roosevelt Bank Holiday of 1933, banks were closed and the economic and financial machinery of the nation was paralyzed. Twenty per cent of our banks were forced to liquidate and never opened for business again. Frozen assets were placed on the market and sold at a sacrifice, thereby robbing depositors of much of their savings.

The bank holiday need not have occurred. It could have been avoided if the incoming President had cooperated with the outgoing President in helping to establish confidence by furnishing Federal money to provide funds until the frozen bank assets could be unfrozen.

In 1932 there were 12,800,000 unemployed. In 1938, after six years of the New Deal under Roosevelt, there were still 10,400,000 unemployed. Then came World War II and the unemployed were reduced during the next two years to about 2,000,000. After the war ended unemployment again climbed until in 1950—just before the Korean War—we had 4,800,000 unemployed. This was called the Truman recession.

In 1933 the 12,900,000 unemployed represented 28.6% of our working force of 45,000,000. In 1950 under Truman the 4,800,000 unemployed represented 7.8% of our working force of 61,500,000. However, today the 5 million unemployed represent only 7.4% of our working force of 67,000,000.

That is the record. Now what should be done to halt the downward trend and start an upward trend?

First: A tax cut to increase purchasing power and stimulate buying.

Second: Loosen up credit restrictions so money will be more readily available.

Third: Speed up the road construction program, procurement of war materials, and government building requirements to provide jobs for the unemployed.

Reciprocal Trade, Foreign Aid

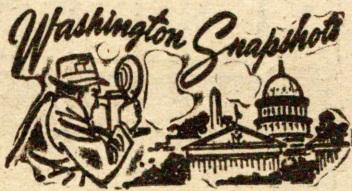

After more than 20 years' experience with foreign aid and the reciprocal-trade program, and after \$60 billion of American taxpayers' money spent in foreign aid, is the world better off today than it was when Uncle Sam embarked upon these programs? Has Uncle Sam more real friends today than he had 20 years ago? Is world trade less restricted today than in 1934 when Congress passed the Reciprocal Trade Agreements Act?

Eric Johnston and Secretary Dulles say the world is more peaceful, that trade barriers are lower today, that the world is much better off. However, well-known authorities in the field of world trade and in the field of foreign affairs say just the opposite.

For instance, Dr. Clair Wilcox, formerly Director of International Trade for the state department; Dr. Claudius Murchison, economic adviser to the American Cotton Manufacturers Institute; and Dr. Lee Coulter, a nationally known consulting economist, one of the best-informed men in America today is more tightly regimented than it ever has been in history in time of peace.

Eugene Castle, a very successful American businessman, author, and world traveler, took a tour around the world to see how American and Americans rated in world opinion after giving away over \$50 billion in foreign aid. In his book, The Great Giveaway, he gives his impression and—to say the least—his impression is the exact opposite to the opinions of Eric Johnston and Secretary of

State Dulles. Mr. Castle claims that a very large part of our foreign aid—American tax dollars—has been wasted and has accomplished very little toward establishing peaceful relations in the world.

Congress and the Administration now are plagued with demands for resort to anti-recession remedies which have failed in the past.

These include various "pump-priming" schemes, interference with price-wage relationships, and abandonment of sound government finance.

The proposals spring in part from the inevitable desire of some party members out of power, in this case the Democrats, to seek political advantage. But they also reflect the readiness of New-Fair Deal groups to seize any business disturbance to promote their "big government" philosophy. And assorted left-wing groups are attempting to arouse their forces in an effort to discredit American business and the free enterprise system.

Whether Congress yields to the pressures now being exerted

will depend, it appears, largely upon the fortitude of the Eisenhower Administration and the congressional champions of free enterprise—both Democrats and Republicans.

The Administration position continues to be that the present recession will be short-lived.

Federal Government Largest Land Owner

The U. S. Government now owns 772 million acres of land throughout the world, equal to about 40 per cent of the size of the United States.

The Federal Government owns nearly half of the land in the

11 states west of the North Dakota-Texas belt line, and 3.3 per cent of land in the North-eastern and the North Central states.

The latter part of the dormant season is the best time to prune fruit trees.

No animal or plant life can live in the Dead Sea because of the high percentage of salt.

SUCH SWEET SORROW

Life is just too rich for me right now, friends. After days agonizing reappraisal, I've decided to sacrifice this column. somebody else will come along better than me, so never fear for news of Country Club Hills. Out of 1,500 people, there must be two or three writers who would enjoy tackling this job for a while.

At the moment I am memorizing lines to a major scene for dramatic production that starts April 3 in Morgan Park, then to appear in churches all over the city. We will give it a try here next, I see. Being Mary Magdeline is nothing to sneeze at.

Besides this creative fling, I have short stories, paintings, drawings, political plans, four novels, and even a husband! It's been great fun starting this very first news column for Country Club Hills. Now that many groups are so well planned, I feel a great deal of concern of last last year and should be forgotten today.

When I started this column, my main reason was knowledge of the terrible need for

At that time there was no communication system out here except the telephone) and I was terribly conscious of the need for bulletins, announcements, and analysis. All these months I have tried to give you my own and fair judgments and have tried to include every possible activity and group work.

In general, acceptance was wonderful and compliments were continuous. I can feel that I did a good job and that all of you helped me do it. Now, lean back and read our column—for you created it—and remember to turn your backs into the Tinley Park Post Office, 17313 Oak Park Ave., in Tinley Park. You can call KE 2-4728 or Mokena 3521 for information. The friendly editor of this paper is Glenn Magan, at the Mokena office, 5 Front st., Mokena.

Smile With Glee

A baby girl named Glee Ellen has come to live with Mr. and Mrs. Glenn Thacker, of 120 Mary Ann Lane. She was born March 18. Mighty healthy, she weighed eight pounds 14 ounces. She will have lots of fun later with her other sister and two brothers—Ruth, 10, Ted, and Victor, 5.

PLAY BALL!

—Or any other sport dear to

youngster's hearts! School District 160 Citizen's committee has initiated a program to bring sports, tournaments, games, and competitions to our young people. Dan Berdan was named Youth Activities chairman at the last meeting and launches immediately into action:

1. All youngsters who would enjoy some organized sports out here, REGISTER on Saturday, March 28 from 1 to 4.

2. Come to 4650 West 183rd. Forms will be there to write in your first, second and third choice of organized SPORTS.

Teen Club Projects

Members of the new Teen club will be present at Mr. Berdan's home on Saturday, March 29 to register all youngster's favorite sports. Their members hope to help see this community program all the way through. With help of parents and experienced athletes in our midst, games and events should be ready for this summer!

For information on this exciting new sports project, call SY 8-6983.

CANDIDATES AT PTA

Coopers Grove PTA had its last meeting in the little firehouse on Patrick ave., last Thursday evening. Clarence Beam, president of the local school board, spoke on the problems facing the candidates running for the new seven-man board. His speech ranged from finances to philosophy.

Two important points he made were new to me, and surely to the majority of the audience with pre-school children. School district 160 pays wages to its teachers that equal the village of Winnetka—until just two months ago when the village raised their rates. Second, scholastic standards of school district 160 are slightly higher than the surrounding territory's standards!

Following Mr. Beam's speech, there was a question period, especially exciting as he had announced during his speech that the new state law has at last authorized a new school building for this district!

RELIGIOUS PLAY ON GOOD FRIDAY

The Women's Fellowship of the United Christian church invites everyone to attend Good Friday services in the firehouse at 8 p.m., April 4. The Morgan Park W.F.C. will present two scenes from the well-known play "Family Portrait" as part of the services.

Rusty Wilson, resident of Country Club Hills, will star in one scene as Mary Magdeline, friend and follower of Jesus.

"Family Portrait" was first produced on Broadway in 1939 with the famous actress, Judith Anderson, starring as the Mother of Jesus. Many religions have hailed it as a warm revolution of the human beings actually close to Jesus during his lifetime on earth. The script makes no religious assumptions but simply shows the family and friends of the adored and misunderstood "Prophet" as events of the times swept them into awareness of his unique dedication.

Candidates at PTA

Seven candidates for the new school board were introduced at last week's PTA meeting. They were: Don Swanson, Ray

Begmann, Clarence Beam, Kenneth MacKenzie, Norman Olson, John Forsgren, and Tom McCordell.

Every one of them is a good man. All of them have been working in civic groups for some time and I'm sure each of them would serve well. Other candidates will be available for our votes later also, but they could not attend the PTA meeting for public introduction.

CHURCH ARCHITECT

This week I received a floor plan for a building devised for us by the architect of Board of Church Extension, Disciples of Christ. I turned it over to William Cooley, church architect, with the request that he design an exterior elevation. This he will turn out for us in a short time. Mr. Cooley is one of America's outstanding church architects. He planned the Community Lutheran churches in Homewood, and currently has under construction among others the First Christian Church just south of the Bloom township high school in Chicago Heights.

—J. J. Van Boskirk,
Organizing Pastor
United Christian Church*

*Our Executive Committee has expressed preference for this name which may emphasize even more than before:

1. That we are all Christian, and
2. That we are UNITED.

—O—
C. W. BEAM

Clarence W. Beam, president of our local public school board, sends along this autobiography: "EDUCATION: Lindbloom high school (Chicago); 60 hours awarded in electronic engineering by U. S. Marine Corp. Graduate of sales analysis, Institute of New York, (Sales, Management, Human Relations); On-the-Job Training in: Sales, transportation, electric motor application engineering. Business management at Alexander Hamilton Institute (incomplete). PROFESSION: District sales manager of Doerr Electric Corp. AGE: 33. FAMILY: Wesley, 10, James, 8, Richard, 7, Lou Ann, 5, Robert, 3, Donald, two weeks!

WIFE'S BACKGROUND: Graduate Lindbloom high school—(Scholarship awarded to George Williams college). Two years completed in liberal arts and physical education. Worked at YMCA secretary and child guidance. Sunday school teacher. And wonderful mother! LOCATION OF PAST HOMES: Married in Chicago. (July of 1946 to December of 1948). To Milwaukee until December of 1951, New Jersey until 1955. Then to Chicago and on to Country Club Hills."

His hopes for the immediate future of our community: That we unite in spirit, and through the use of our collective intellects exercise wisdom and patience and understanding. This, along with a little effort to promote the common good, so this will be an ideal community in which to live. Let us accept our problems as a challenge—a place to exercise our abilities and talents with the result that we will know and have a feeling of satisfaction that comes from seeing a job well done and that we have had some part in doing it."

League of Women Voters

If any of our ladies would like to join and help start our Country Club Hills chapter of the national voting service, League of Women Voters—call Phyllis Mitchell at SY 8-7726. She lives at 17800 Baker.

When Mrs. Mitchell called me for more information about it, I was overjoyed. Isolated as so many of us are, the more services and aids we create within our own boundaries, the better. I met all the officers of the Tinley Park League about two weeks ago and was most impressed by their free literature, etc. I will enjoy helping all I can.

The evening I spent in Tinley Park, two superior movies were shown explaining carefully procedures of voting. Did you know every state has the right to design its own ballots and set its own type of mark for counting votes? I was amazed at the variety of forms in the United States.

With a population of over 1,500 today, our little community can surely use authentic advice on everything from voting to flower shows. The more the merrier!

Moose Are Bugling

The official monthly bulletin from the Harvey Lodge of Moose is filled with exciting social events for all the family. A feature that especially pleased me was a full page-size calendar of the month, showing some outing possible by their

members for every day of the week! Dances, fish fries, skeet shooting, style shows—even choral practice every Monday night. If these friendly outing appeal to you, call George Hein for more information KE 2-3869.

Let George Do It

There is, in our local County Police patrols, a marvelous officer, witty, kind, and keen-witted, too. He was the one officer who instantly grasped my concern for our need out here for closer surveillance and he gave me precise advice for getting it.

Now, nearly a month later, he stops in at my home about once a week, on different shifts to check back and prove to his own satisfaction that everything is safe and dandy now. His name is George DelGenio. (Sounds like a famous Italian opera star, doesn't it?) Believe me, he is more admired by my family than any singer ever

Baptist Young People Have First Social

Twenty four young people enjoyed a social evening in the First Baptist church March 14.

Following games the teenagers enjoyed a session of singing. A film, "Jesus in the Garden of Gethsemane" was shown in keeping with the Easter theme.

Refreshments included a weiner roast in the open fireplace of the Fellowship room.

Doris Bayless, Ray Stallons, Mrs. Troy Melvin, Mr. and Mrs. Wayne Lees are sponsoring the group and plan for a social for these Christian young people each month.

In the Methodist church social hall, Brownie troop 412 conducted an investiture ceremony for Joyce Kinnally and Judy Bellante when they met recently in the Methodist social hall.

As the result of a fly up ceremony, Cheryl Tubez and Judy Pieakarz were received into the membership of Intermediate troop 240.

Miss Marcia Szaton, daughter of Mr. and Mrs. John J. Szaton of 17710 67th Ct., Tinley Park, took part in a dance workshop presented by the Orchesis, modern dance club, at Grinnell college, Grinnell, Iowa, last Friday evening. A junior at Grinnell, Miss Szaton is a 1955 graduate of Bremen high school.

Mrs. Irene Parks, Salt Lake City, Utah, is a guest of her sister Mr. and Mrs. Ervin Funk and family.

Miss Sylvia Marie Archer, 17056 Forest View drive, Tinley Park, who is a senior in the science department of Purdue university at Lafayette, Ind. was among the 89 students from Illinois who received the distinguished rating for this semester according to the list released by the office of the registrar. To obtain this rating the student must make a scholastic index of 5.5 or higher out of a possible 6 in all work, and must earn a minimum of 14 hours of credit within the period.

Doris C. Wolfson, 171102 Over hill, Tinley Park was among the 97 students at the Illinois university, Chicago under graduate division who were recently honored by their dean for receiving no grade less than "B" during the previous semester.

Evelyn P. Brown, 16820 S. Oak Park ave., because of her outstanding scholarship as a freshman, has been elected to membership in Alpha Lambda Delta national scholastic honor society for freshman women. A grade average of halfway between A and B, or better, is required for this honor. Initiation will be April 22. Miss Brown is a graduate of the Bremen high school and is now in the University of Illinois in the college of Liberal Arts and Sciences.

We Americans should take more than a few minutes to think about who we want to represent us in political offices.

We have the responsibility of determining the best of the candidates because we have to live with the situation we create at the polls.

So as election time nears, take time to think about the candidates and you will come to the conclusion that the man for Bremen Township Republican Committeeman is CHARLES J. SCHROLL.
